#### OU COVID-19 VACCINATION POLICY

#### COVID-19 vaccinations are now required for all Oakland University students, faculty and staff.

The Physical Therapy Program in the Department of Human Movement Science at Oakland University in Rochester, Michigan, invites applications for one (1) tenure-track assistant/associate professor position to begin August 15, 2022.

This is an exceptional growth opportunity to join a genuinely supportive faculty team with excellent resources that enjoy engaging in a meaningful balance of teaching, research, and service.

Through your teaching, bring disciplinary and experiential expertise to our broad range of physical therapy programs, including entry-level Doctor of Physical Therapy; graduate and post-professional certificate programs in Orthopedic Manual Physical Therapy, Oncology Rehabilitation, Teaching and Learning; and the Ph.D. in Human Movement Science program.

In your research, benefit from our well-equipped laboratories, diverse clinical partnerships, and strengths in upstream care and community engagement as you progress your line of peer-reviewed research and scholarship.

Through your service, help to advance clinical professional relationships with our clinical partners for mutual research, clinical, and teaching goals. Provide distinct energies to our school, university, and communities of practice, including participation in student recruitment and retention activities. Contribute to our continuous academic program refinement and actively participate in professional organizations.

Creating and maintaining a diverse, equitable and inclusive campus is a strategic priority for Oakland University.

To this end, we are seeking applications from individuals who are interested in and committed to supporting our Diversity Equity and Inclusion institutional values. It is the policy of Oakland University that there shall be no discrimination on the basis of race, sex, color, religion, national origin or ancestry, age, height, weight, familial status, marital status, disability, creed, sexual orientation, veteran status or other prohibited factors in employment, admissions, educational programs or activities.

We are seeking applicants to broaden and advance our strengths in the foundational and clinical sciences. Persons with experience in teaching, research, and mentoring PhD students or holding board certifications or graduate certificates are especially encouraged to apply.
