Expires: May 8, 2021

Full time P.T. Director for new Hemlock Clinic. The Hemlock location will be a new addition to the Auburn PT group which currently has clinics in Auburn, Bay City, Essexville and Midland.

This will be a start up clinic and you will work one on one with the owner Tom Barba PT and the office manager Katie Norton in all aspects of this clinic.

This is an excellent opportunity for the motivated and driven Physical Therapist who would like to be able to learn both the business side of outpatient private practice as well as self clinical / professional growth with a \$1500 per year continuing education budget.

Feel free to email with any questions at [tbarba@auburnpt.com](mailto:tbarba@auburnpt.com)

Looking forward to our future conversation.

Tom Barba PT
