Neil King Physical Therapy is a PT owned company. We have openings for both Physical Therapists and Physical Therapists trained in Pelvic Floor Therapy. We currently have openings in several of our locations, Plymouth, Novi, Royal Oak and Southfield. We have existing male and female pelvic floor patients and an increasing number of evaluations in our Plymouth and Novi locations and room to expand our pelvic floor caseloads in our Royal Oak and Southfield locations. We are a very manual therapy based, team-oriented company treating a wide range of conditions. Though we have a high pelvic floor population we also treat pediatrics, orthopedics, vestibular and neurological conditions so pelvic floor training is not required to apply.

We offer a competitive salary as well as opportunities for weekly and monthly bonuses and opportunities for continuing education. If you would like to hear more about the opportunities available with Neil King Physical Therapy, please contact me at neilkingpt@comcast.net or 248 853-7555
