Northern Michigan Sports Medicine Center is a staff-driven PT practice, looking for a full time physical therapist to join our team. We currently have an opportunity in our Cheboygan clinic.

As a PT owned, outpatient Physical Therapy practice, serving an active population in northwest Michigan for the past 31 years, we understand the balance between quality work and quality of life. On the quality of work side, our staff plays an integral role in the visioning and planning for our practice. With that involvement, they enjoy a professional experience that encourages professional growth and patient satisfaction. They also have the privilege of living and working in an area that combines the simplicity and beauty for which northern Michigan is known.

The ideal candidate would have experience in an outpatient orthopedic based setting with an evidence based practice pattern. They would thrive in an environment that emphasizes the team approach to the customer experience. The candidate would be comfortable mentoring staff and students. They would be self-motivated with a dedication to lifelong learning and skill development through CEUs and other methods.

Skill set required:

- \* Performing evaluations,
- \* Developing treatment plans,
- \* Record and document patient services,
- \* Collaborate and communication with other team personnel to achieve well-rounded care,
- \* Participation in community events,
- \* Possess an interest in becoming a member of our leadership team

If you feel you possess these skills and attributes and you would also enjoy the lifestyle that northern MI has to offer, take a closer look inside our practice, and upload your resume, click the following link:
