Orthopaedic Rehab Specialists is looking for exceptional physical therapists (PT, DPT) to join our team of skilled practitioners and dynamic staff. We are currently interviewing for full-time staff PTs at our flourishing clinics in Lansing, Jackson, and Jonesville, Michigan. Our ideal candidate has a desire for growth and innovation and is looking for the freedom to treat patients as they wish. We are open to both therapists with outpatient experience and new graduates. We offer a collaborative environment for those seeking clinical and professional growth including mentorship, leadership development, and management training.

Orthopaedic Rehab Specialists is locally-managed and is the leading provider of outpatient physical therapy in mid-Michigan.

We offer:

- sign-on bonus
- competitive base salaries, incentive programs
- outstanding benefit packages
- generous continuing education
- profit sharing/401k

ORS prides itself on being an active community member. We sponsor and create many special events and social activities throughout the year which has helped us build and maintain our award-winning reputation. As a part of TeamORS, you will be working in a PT-owned, family environment where patient care and a positive, fun, and friendly experience is an intentional part of our everyday atmosphere. Come be a part of an established and growing company that invests in both our employees and our communities.

Qualifications / Requirements:

- Licensed Physical Therapist (able to obtain Michigan State licensure)
- Excellent patient engagement skills
- Effective communication skills
- Energetic and positive attitude
