We are looking for an outgoing Physical Therapist that enjoys caring for people with orthopedic and occasionally neurological diagnosis in an outpatient private practice setting. The position includes evaluation, treatment, and reassessments of our clients with supervision of Physical Therapist Assistants and technicians. Should understand electronic medical records, excellent communication skills with a willingness to teach clients and staff, and a desire to learn. If you are looking for mentor, we have a team that is experienced in many areas to help you become a great clinician.

Responsibilities

- Reviews referring medical information prior to the initial assessment.
- Evaluates patient status using accepted standards of practice.
- Consults with other professionals to develop an interdisciplinary treatment plan when indicated, outlining patient goals and objectives.
- Reviews patient progress and updates the treatment plan on a monthly basis, or more frequently if warranted.
- Implements the treatment plan. Renders direct services.
- Completes required treatment and billing documentation on a timely basis.
- Provides training and education to family members/ significant others.
- Directs and supervises the physical therapy service including support personnel.
- Fosters and maintains effective professional relationships with other therapists and aides, patients, family members.
- Participates in committee meetings.
- Provides prevention and promotes health, wellness, and fitness.
- Assists with administrative duties such as program development, updating policy and procedure manuals, scheduling, monitoring supplies/equipment, etc.
- Keeps abreast of current standards of practice.
- Performs related duties, as requested.
- Job Type: Full-time

Benefits:

- Salary
- PTO
- Medical
- Simple IRA
- Continuing Education
- Membership dues paid
