Expires: October 30, 2021

The Therapy Institute is a PT owned out-patient private practice located in Haslett. We are seeking a motivated physical therapist with a desire to work in a manual therapy setting for 40 hours per week. You will treat a diverse outpatient caseload that encompasses post-op rehabilitation, sports medicine, spinal and TMJ conditions, balance and vestibular problems. You will have an opportunity for professional growth through association with other therapists who are highly skilled in manual therapy.

We are recognized for the high quality patient care we provide and for our excellent outcomes. Our office focus' on providing superior customer service, developing individualized care plans and building relationships with our clients and their families. We have been providing physical therapy services to the greater Lansing area since 1989. If you are interested in a challenging and rewarding outpatient setting please contact us.

#### Qualifications:

- Must have graduated from an accredited physical therapy school
- Must have a valid Michigan license
