

Cameron Faller PT, DPT, CSCS

Bio:

Cameron graduated from Grand Valley State University's DPT Program and is currently employed as the Clinic Director for The Center for Physical Rehabilitation – Greenville. Cameron began his involvement with the MPTA early as a student volunteering as the Programming Chair for the MPTA Student Relations Committee, and continued his efforts serving as the Western District Vice Chair over the past year. As a clinician, Cameron prides himself in working with a diverse population of individuals specializing in sports medicine, pain management, and vestibular rehab. Cameron has also been an advocate for the profession promoting the opportunities of Telehealth and Direct Access within his company to best serve the surrounding communities in receiving high quality care.

Candidate Statement:

It has been an honor to serve the past year as the Western District Vice Chair and have been pleased to have the opportunity to continue efforts as the District Chair. Working with the current Western District Chair, Ryan Borck, has paved a successful path for me to continue growing the values and mission set forth for the Western District. I would love to utilize my position to help provide better opportunities for professional development credits, find innovative ways to help to promote member engagement, and ultimately to continue advocating to move our profession forward.
