

Candidate Information

Director for Legislative Affairs

Name: Andrew Moul, PT, DPT, NCS

I am a graduate of Wayne State University for both my Bachelor's (2006) and Doctorate (2008) degrees. Since 2009 I have worked for the Detroit Medical Center treating in both the Acute Care and Inpatient Rehab settings. Since 2012 I have worked at the Rehabilitation Institute of Michigan and in 2019 helped start the Neurologic PT Residency Program at RIM for which I am the current Co-Coordinator and Curriculum Chair. I have also been in PT and PTA education since 2007 when I started as a lab assistant and TA at Wayne State University. I have worked as an Adjunct Instructor at the University of Michigan – Flint, Baker College – Allen Park, and Wayne State University. I am a current Assistant Professor in the Wayne State DPT program where I teach, advise, conduct research, and serve on committees including Interprofessional Education and Service.

Candidate Statement:

My name is Andrew Moul and I am running for both Director for Legislative Affairs. I am a graduate of Wayne State University DPT program and my clinical experience is primarily in treating patients with neurological impairments in the inpatient setting. My passion in physical therapy is in treating people who have sustained a Traumatic Brain Injury or Stroke. Currently I split my time between the clinic and teaching at Wayne State University as an Assistant Professor. My favorite class is Diversity, Ethics, and Legal Issues where I teach my students about the importance of APTA membership and legislative advocacy.

I have been a volunteer for the Legislative Affairs team for the past several years and have been an active member planning the Legislative Advocacy Day in Lansing. As Director for Legislative Affairs I look forward to working with the membership to identify and pursue different legislative priorities. I hope to continue the work on the Licensure Compact, Prior Authorization and Co-Pay Reforms, and Auto No-Fault Access. I am excited to collaborate with the federal legislative team to highlight advocacy and engagement opportunities for our members.
