### **Candidate Statement:**

Serving on the APTA – Michigan Communications Committee has been a rewarding experience, and I would be honored to additionally serve on the Nominating Committee representing the Western District. APTA – Michigan has had a strong heritage of “Leaders of Excellence” throughout the time that I have been a member of this chapter. These leaders have advanced Michigan physical therapists to a strong position through protecting our scope of practice, progressing autonomy through direct access, and fighting for appropriate reimbursement, to name a few. I am committed to extending this lineage by seeking both established and developing leaders to fill these various leadership positions.
