“Alone we can do so little; together we can do so much”

— Helen Keller

President’s Message

Edward Mathis, PT, DPT, President, APTA Michigan

APTA Michigan’s mission is “Building a community that advances the profession of physical therapy to optimize the health and movement of all people of Michigan.” As I was reflecting on this statement, I was reminded of the above quote by Vince Lombardi.

It can be easy to think that what makes the chapter work solely reflects its leadership. To view APTA Michigan as “They” instead of “Us.” It takes all our members’ individual commitment to advance the profession in Michigan.

We are all part of APTA Michigan and can participate in making the chapter “work.”

In this issue of Shorelines, you will see a theme of membership engagement within our chapter. I challenge you, the member, to consider what is your part of all of this. We have several initiatives in 2023 that are worth following and
